

Malama Kai Corporation

Native Hawaiian Organization (NHO)

Welcome to Malama Kai Corporation - Where Hawaiian Legacy Meets Global Innovation

Serving Others

Serving others is fundamental to our culture here at Malama Kai and every interaction we have offers us the opportunity to teach others about Hawaii, the Native Hawaiian culture, value & mission which drive us to innovate solution.

Empowering Our Community & Clients

We strive to empower our community in Maui to stay on island, raise families, embrace Hawaiian culture while creating leading edge technology solutions for our clients.

Scaling Innovation to Deliver Results

Technology moves fast & innovation even faster, as technologist at our core, we innovate technical solutions to the most challenging & complex problems, while delivering value to each partner and client we work with.

Accountability

01

Have a Purpose

02

Inspire Others

03

Servant Leadership

Have a Purpose

Make something better for someone each day by delivering innovative solutions created in Maui.

04

Be True.

Embrace honesty, respect, responsibility, fairness & compassion in every action, and surround ourselves with those with the same values.

Inspire Others

See the possibilities and potential of others by creating energy, inspiration & fostering a culture that values people over process, innovation over efficiency, leading to growth & unexpected reinvention.

05

Be Authentic.

Value authenticity & vulnerability, inspiring ourselves & others to dream more, learn more, do more & become more.

Servant Leadership

Serve others, lend your knowledge, help solve a problem, and when we fail accept responsibility quickly, transparently & aim to make it right, every time.

06

Make an Impact.

Lend a hand, roll up your sleeves, listen to others, empower someone each day to do more than they thought they could do.
